Supervisors' signature

Possible additional comments about the course or the student:

Research training – Supervisors detailed opinions

Information: These opinions, that in part may form the foundation for the final assessment, are to be sent directly to the coordinator and will not be forwarded to the student.

I rate the students' performance according to the following:

1. The student had adequate previous knowledge for the Research training.

Do not agree at all *Fully agree*

2. The student had enough practical/laboratory skills to successfully complete the Research training.

Do not agree at all *Fully agree*

3. The student documented his/her work well.

Do not agree at all *Fully agree*

4. The student responded to instructions well and was active.

Do not agree at all *Fully agree*

5. The student generated reliable data.

Do not agree at all *Fully agree*

6. The student mediated results orally in a good way.

Do not agree at all *Fully agree*

7. The student has summarized the training period well in the written report.

Do not agree at all *Fully agree*

Possible additional comments:

To be handed in or sent to the coordinator for Research training at IBG, Uppsala University.
