Supervisors' signature

Possible additional comments about the course or the student:

## Project work – Supervisors detailed opinions

*Information: These opinions, that in part may form the foundation for the final assessment, are to be sent directly to the coordinator and will not be forwarded to the student.*

I rate the students' performance according to the following:

1. The student had adequate previous knowledge for the Project work

*Do not agree at all*           *Fully agree*

2. The student had enough of practical/laboratory skills to successfully complete the project

*Do not agree at all*           *Fully agree*

3. The student documented the experiments well

*Do not agree at all*           *Fully agree*

4. The student took own initiatives and worked independently

*Do not agree at all*           *Fully agree*

5. The student responded to instructions well and was active.

*Do not agree at all*           *Fully agree*

6. The student generated reliable data.

*Do not agree at all*           *Fully agree*

7. The student mediated results orally in a good way.

*Do not agree at all*           *Fully agree*

8. The student has summarized the work well in the written report.

*Do not agree at all*           *Fully agree*

Possible additional comments:

To be handed in or sent to the coordinator for Project work at IBG, Uppsala University.
