

UPPSALA
UNIVERSITET

STAFF at SciLifeLab Facility Forum, October 3, Main University building, Uppsala

SciLifeLab organize a full day conference (09:00-21:00) addressed to SciLifeLab Facility staff. The focus is to get to know SciLifeLab and to have inspiring talks about urgent infrastructure topics. We end the day with a mingling dinner with entertainment in the evening. The conference is held at the Main University building, Biskopsgatan 3, Uppsala.

We need several students to help us at the registration desk (08:00-11:00) and in the manned wardrobe all day long. We need assistance from 08:00 - 21:00. If you are interested, please let us know your availability and we can adjust the staff schedule to how you can participate.

We will offer you 400 SEK half day (4h) or 800 SEK full day (8h), including fika/lunch/fika/dinner (depending on your schedule).

Can you be of assistance? Please send an e-mail to: erika.erkstam@scilifelab.uu.se ***as soon as possible.***
