

Dear all,

Don't miss Unveiling the Ghost of the Mountain – a minisymposium on snow leopard biology and conservation and the international effort to secure the future for this elusive cat (often referred to as the ghost of the mountain).

Monday 25 September 2017

09:00-12:00

Hörsalen (Loftet), SLU, Uppsala (Ultuna)

Listen to:

Örjan Johansson, PhD student at SLU (he will defend his thesis about snow leopard ecology and behaviour on Friday).

Charu Mishra, Nature Conservation Foundation, India

Bayarjargal Agvaantseren, Snow Leopard Conservation Foundation, Mongolia

Gustaf Samelius, Snow Leopard Trust, Sweden

www.slu.se/snowleopardsymposium

We are looking forward to an interesting overview of the conservation initiatives in the high altitude mountains of Asia.
