As the world’s first management consultancy, Arthur D. Little has supported the world’s leading corporations and organizations to link strategy, technology, and innovation since 1886.

We are now looking for extraordinary talents to join our Nordic offices (Stockholm, Gothenburg and Oslo) for our fall Health Care and Life Science internship, lasting between 2 and 5 months. As an intern, you will work as a junior team member in client assignments within Health Care and Life Science (depending on assignment availability). You will get the chance to work at the forefront of strategy, digitalization and innovation with some of the sharpest minds in business.

Send us your application in English including CV and cover letter indicating your preferred period as well as high school and university grades to nordic.recruitment@adlittle.com no later than 19th of April. Fluency in English and Swedish or Norwegian is a requirement.
