Program Equal Opportunities Day at TekNat May 10

Introduction

09.15-
09.25

Karin Stensjö, Chairperson of TekNat's Equal Opportunities Committee and Senior lecturer at the Department of Chemistry - Ångström Laboratory

09.25-
10.10

Carin Eriksson Lindvall, Associate Professor at the Department of Business Studies and Head of the Unit for Career and Leadership in Academia

Working together - how everyday working life can influence people and their performance, creativity and motivation. And how you lead yourself and others through complexity.

10.10-
10.25

Coffee Break

10.25-
10.50

Lynn Kamerlin, Professor at the Department of Chemistry - BMC, Fellow of the Royal Society of Chemistry and Wallenberg Academy Fellow

Navigating an academic career - a personal perspective.

10.50-
12.00

Anneli Häyrén, Researcher at Centre for Gender Research and Analyst at Human Resources Division

Women's low self-esteem or men talking big? What happens on the career path: when women turn down leadership roles
