Each year, Uppsala University traditionally invites the year's Nobel laureates to talk about their research.

Welcome to a lecture event featuring the 2022 Nobel Prize winner in Chemistry, Carolyn R. Bertozzi, and the 2022 Nobel Prize winner in Medicine, Svante Pääbo.

The doors to the Grand Auditorium will open at 09.15. The audience is requested to be seated by 09.45. The event starts at 10.00 and will be held in English.

No tickets, first come first served. The event will also be live-streamed.

We look forward to seeing you there!
