Dear Linda,  
Permission granted.  
The pictures have been taken by the WHO and can be used freely,  
provided that the name of WHO is being mentioned.  
I wish you all the best for your exams,  
Prof. Fred Opperdoes

Hello.

I'm studying in Uppsala University, Sweden, and I'm working on my  
bachelor examination about leishmania.  
I was wondering if it is possibility that I can use the pictures you have published on  
your website in my work? I have attached the two pictures in this mail that I'm  
intrested in.

yours sincerely  
Linda Andersson

Hi, Linda-

Feel free to use any of the pictures from my web site. Best regards.

Pat Woster
