The #SCCS_Nordic provides young scientists (including Master students, PhD students and early Post-Doc level) with an excellent opportunity to present and discuss their work with peers and to network. The conference format will include oral and poster presentations, workshops, invited keynote presentations and excursion.

Email: NordicChapter@conbio.org

Keynote speakers:
- Malin Aronsson, SLU
- Helen Kopnina, The Hague University of Applied Sciences
- Bengt Gunnar Jonsson, Mid Sweden University

Co-organizers

Faculty of Forest Sciences
Faculty of Natural Resources and Agricultural Sciences

The #SCCS-Nordic provides young scientists (including Master students, PhD students and early Post-Doc level) with an excellent opportunity to present and discuss their work with peers and to network.
