Soon it is time for Utnarm, Uppsala Union of Engineering and Science Students' career fair.

The fair will take place on November 5th, from 9 am to 4 pm, and this year it will be virtual. The event can be found on https://careergate.student.uu.se. Click the link, create your student profile using our UU-credentials, and register for the fair. You can already browse through the company stalls and prepare yourself.

Oktober 26th - November 5th, the Utnarms event weeks will take place with inspiring events. Registration info for the events can soon be found in our information channels.

Go into Utnarm.se and follow us on facebook och instagram for more information.
