Intern - Fast Trak assisting scientist

Cytiva  Location: Uppsala, Sweden  Category: Intern  Job Id: R1145719

**Be part of something altogether life-changing**
Working at Cytiva in the Life Sciences industry means being at the forefront of providing new solutions to transform human health. Our incredible customers undertake life-saving activities ranging from fundamental biological research to developing innovative vaccines, new medicines, and cell and gene therapies.

At Cytiva you will be able to continuously improve yourself and us – working on challenges that truly matter with people that care for each other, our customers, and their patients. With associates across 40 countries, Cytiva is a place where every day is a learning opportunity – so you can grow your career and expand your skills in the long term.

**Cytiva is proud to work alongside a community of nine fellow Danaher Life Sciences companies. Together, we’re pioneering the future of science and medicine, developing products that enable researchers in the fight to save lives.**

**What you’ll do**

- Assisting in process development projects
- Hands on lab work such as sample and buffer prep, chromatography and/or filtration runs including analysis of results
- Running analytical test methods
- Result data management handling and analyses

**Who you are**

- Studying for a master’s degree in biotechnology or related field
- Enjoy working in a flexible environment contributing to a collaborative team spirit
• Comfortable working both hands on in a process development lab as well as with data management and analyses

• Proficient in English (oral and writing)

• Experience from chromatography, filtration, sample and buffer prep in a lab environment

When you join us, you’ll also be joining Danaher’s global organization, where 68,000 people wake up every day determined to help our customers win. As an associate, you’ll try new things, work hard, and advance your skills with guidance from dedicated leaders, all with the support of powerful Danaher Business System tools and the stability of a tested organization.

Danaher is committed to a diverse and inclusive culture where everyone feels they belong and all voices are heard. We believe in our associates and the unique perspectives they bring to every challenge, which is why we’ll empower you to push the boundaries of what’s possible.

If you’ve ever wondered what’s within you, there’s no better time to find out.
